.

Assignment type: Research Project

File_Name: StudentName_Unit Three Assignment

Submission type: Word/PDF

Deadline: See Canvas

Adhere to APA 7th Edition standards. Optionally, refer to some formats below

Font style: Times New Roman for the body text. Arial, or Helvetica for headings and subheadings.

Font size: 12-point font for the body of text. Headings and subheadings may be slightly larger (14 points for main headings, 12 points for subheadings).

Line spacing: Double spacing is preferred for the body text. Single-spacing can be used for block quotes, captions, and references

Margins: Standard margins of 1 inch on all sides.

- Student demonstrates a thorough literature search (20+) with relevant and current scholarly sources to the chosen Global Challenge and mission statement.

5 to >3.0 ptsMastery- Student thoroughly assesses the credibility and relevance of each source and identifies strengths, weaknesses, and biases.

Student's summaries are concise, accurate, and effectively capture the main points of each source; analysis thoughtfully connects each source to the mission statement.

The writing is clear and free of grammatical errors. There's clear organization, flow, and smooth transitions between themes. The write-up integrates and connects information from multiple sources to create a cohesive, well-supported narrative.

Clear adherence to APA citation style throughout the annotated bibliography.

Student demonstrates complete understanding of the connection between the literature and the Global Challenge

Student provides insightful reflection on the literature review process and its relevance to the Capstone project.
